

APRIL 2026

April 2026 was a generosity and care. Through your continued support, families in need received essential aid to sustain the family for the month. Your kindness brought comfort, dignity, and joy into their homes. What may have been a difficult month for many became a month filled with relief, gratitude, and hope.

SPK's April Relief Efforts

With your donation, SPK spent **RM8,000+** on diapers, formula milk, medicine, supplements, learning materials and emergency aid

With your support, SPK spent **RM58,000+** to ensure families received essential food aid and to sustain them throughout the entire month

SPK's Class for the Underprivileged Youth

Alhamdulillah, with the support of our generous donors, Al Khaadem will once again be running our Kelas 3M (Membaca, Menulis & Mengira) from February.

This weekly programme provides children aged 7 to 17 from underprivileged families with extra guidance in reading, writing and basic mathematics, helping them build the confidence and skills they need to succeed in school and in life.

Held every Saturday at Surau Abu Othman, the classes are made possible through the collective support of our community. We pray that every child who benefits from this programme becomes a source of ongoing reward for all who contribute towards it. Jazakumullahu khayran for making this possible.
